Day 1, Saturday, 27th July 2024

Time : 10:00 AM - 06:00 PM

Welcome note
Introduction of the participants
Session 1: Basics of viral hepatitis
Concept of liver lobule, portal system, and liver fibrosis
Interpretation of liver function tests
Methods for the assessment of liver fibrosis
Inauguration
Tea break
Global, Regional, and National burden of viral hepatitis
Serological tests of viral hepatitis
Q & A
Lunch (Poster evaluation by subject experts)
Session 2: Hepatitis C virus
HCV virology, genotype, and serological tests
Burden and risk factors for HCV
Natural history of HCV
Treatment of HCV
HCV management in difficult to treat situations
HCV in dialysis population
Q & A
Tea break
Session 3: Acute viral hepatitis
An overview of viral hepatitis, differential diagnosis, and AVH versus ALF
HAV & HEV: Epidemiology, Unique features, and Vaccination, Management
HEV vaccine
HEV in special situations: Pregnant women and Immunosuppressed population
Extrahepatic manifestation of viral hepatitis: A, B, C, E
Management of complicated AVH: ALF, Cholestasis, HLH
Tea break & end of the Day 1

Day 2, Sunday, 28th July 2024

Time : 09:00 AM - 05:45 PM

Session 4: Hepatitis B virus- Basics
Epidemiology, Burden, and virology of HBV
Serological tests of HBV
Natural history of acute and chronic HBV infection
Hepatitis B vaccination including persistence of vaccine induced immunity
Newer vaccines & alternative vaccination schedules for HBV
Q & A
Tea break
Session 5: Hepatitis B virus- Clinical
HBV in a pregnant woman
HBV reactivation- Diagnosis, risk assessment, prevention, and management
Post-exposure prophylaxis of HBV
Treatment of chronic HBV
HCC screening in chronic HBV
Q & A
Lunch Break
Session 6: HBV and HCV in special situations
HBV-/HCV-HIV coinfection
HBV-/HCV- and tuberculosis
HBV in chronic kidney disease
Q & A
Session 7: Chronic viral hepatitis- Other important aspects
Approach to HBV or HCV detected before surgery
Risk and prevention of HBV or HCV in close family contacts
Hepatitis D virus-Implications for India
Q & A
Tea Break
Session 8: Non-hepatotropic viruses as a cause for viral hepatitis
Herpes hepatitis, CMV, EBV related hepatitis
Dengue hepatitis
Prize distribution for poster presentation and Vote of thanks
